What to Expect

Echo Falls Golf- Ladies Club league play is on Thursday nights starting in April and running through September. It is a 9-hole shotgun format (all groups tee off at the same time from different holes) starting at 5:30pm. If possible, please arrive early to sign up. All carts head out to their holes at 5:30pm.

The cost to join is \$110 if you sign up before April 15th and \$125 for signups after.

One score card per team/group is turned in to the pro shop at the end of play. Scores will be posted to golf genius where players can see their standing. There will be weekly contests and prizes to earn credit to spend in the [Echo Fall Golf Pro Shop](#).

Each week there will be a \$1 “chip in” pot. Players bring \$1 each week to enter, paid upon check-in. Any player that holes out from “off the green” wins the pot. If there are no winners, then the money carries over to the following week.

[Strikers Bar and Grill](#) will stay open until 9pm to serve drinks and food for those that wish to stay around and socialize after. Strikers will take orders over the phone. Call ahead at 360-822-2118 anytime to order ahead.

Golf Handicap & Information Network (GHIN) -

-  A GHIN is required for all Ladies club members. It allows players to compete fairly no matter the skill level.
-  A GHIN is your golf handicap index number. Three – 18-hole rounds/ six -9 hole rounds) are required to establish a GHIN (visit the pro shop for more information).
-  You may start without a GHIN but will not be eligible for awards until a GHIN is established.
